

## **APA CLUB FORMATION**

When a group of people want to register as an APA club to play and promote the sport of polocrosse, the APA requests that the club contact submit the following to the APA Executive Administrator:

- 1) Club name
- 2) Team colors (colors your club teams will compete in)
- 3) Contact name and email
- 4) Town and state club is based in
- 5) Names of office holders
- 6) Membership roster

Once started, you will be sent a club packet with information and promotional materials helpful in running a club. Club Packet documents are also posted in the 'Forms' section of the APA website. Your club information will be put on our club list. The club contact will be put on an email list and receive information and requests from the APA office from time to time. If your contact person changes, please let the APA know.

Please send the above information to:

Laura Humphreys at [lhumphreys@americanpolocrosse.org](mailto:lhumphreys@americanpolocrosse.org)

If you need help or have questions about becoming a club, don't hesitate to ask. If you need more PR materials for events, some are on the website for you to print or you can request items to be sent to you.
