

TRIPLE CROWN NUTRITION, INC. NOW SPONSORING APA CLUBS!

We have exciting news to share about our newest APA sponsor, Triple Crown Nutrition, Inc.!

Triple Crown is now a corporate sponsor of the Minnesota Polocrosse Club and the APA. Triple Crown has made a large investment in polocrosse this year and has created an APA special program available to all current 2021 APA members to help your club's fundraising and promotional efforts. Simply by feeding your horse Triple Crown foods, you can raise money for your club to fund polocrosse growth in your community!

Triple Crown is a performance equine feed company that has been supplying its specialized feeds to the top horses across equine disciplines for over 25 years. Triple Crown feeds are unlike any other product line and are designed to address your concerns about proper equine nutrition and its benefits. Triple Crown feeds will maintain your horse's high performance level and keep your horse healthy and in supreme condition. www.triplecrownfeed.com

Goal of the program:

The goal of the program is to increase trial and consumption of Triple Crown feeds and, at the same time, increase the amount of funds individual polocrosse clubs have to promote the sport. Funds can be used to purchase equipment, fund tournaments, awards, events, clinics, etc. No rebate money will be issued to individuals. Funds only go to established and recognized clubs or sanctioned APA tournaments. This is a great way to fund the development and promotion of our sport.

How can we have an impact on our new sponsor Triple Crown? By purchasing their 50lb feed products and telling great stories about our polocrosse horses being on their feed on their social media (Facebook, Twitter, Instagram). "Before" and "After" pictures are great!

It's up to us to make this a success for the APA, polocrosse and Triple Crown.

In addition you will see the Minnesota Club offering various promotions by Triple Crown at targeted tournaments during the year.

Triple Crown Nutrition is a growing national company with over 4,000 distributors and retailers across the country. If it's not in your local feed store, don't hesitate to ask because Triple Crown is always looking to add new customers to their distribution system. - Each club can raise money by simply feeding their horses Triple Crown feeds. It is that easy.
- Exclusive to the APA for 2020...and only to current full 2021 APA members.
- Triple Crown feeds are state-of-the-art, science and real-world developed feeds for performance horses. They offer a number of specialty feeds such as Senior, Lite, Naturals and Complete. Check them all out at www.triplecrownfeed.com
- Triple Crown wants APA members to post their Triple Crown success stories on their social media (Snapchat, FB, website, Twitter). This is one of the ways they will measure the success of our program. We need everyone's help to drive sales (tracked by the rebate) and drive social media impressions for Triple Crown and polocrosse!
- In addition, Triple Crown will be sponsoring through the MN Polocrosse Club by offering **BEST HORSE awards, FREE product raffles and registration gifts at 4 preselected**

tournaments. All of this is to get the word out on Triple Crown Nutrition's performance feeds and polocrosse. This pilot is being managed by the Minnesota Polocrosse Club. Please do not contact or solicit Triple Crown directly.
