

We'd like to introduce the sport of polocrosse!

Polocrosse combines the sport of lacrosse with the skill of horseback riding. The game is played by all ages and skill levels, and caters to both the recreational and serious player.

Family Sport: One of its strongest draws is that it's a family sport, with players of many different backgrounds. It is not a professional sport. Our players come with eclectic backgrounds: secretaries, veterinarians, attorneys, physical therapists, computer programmers, homemakers, students and US Pony Clubbers.

Horses: It is considered a 'one horse' sport, which makes the game more accessible than polo. We play a competitive game, but the rules are created to protect the most important player in the game...the horse.

National Tournament: Each club across the United States strives to compete at our National Tournament held in Harvest, AL, October 8-10. This event brings players near and far to come, compete, have fun and walk off the field as friends. We will have participants from Maryland, Virginia, New Hampshire, North Carolina, Montana, Nebraska, Tennessee, Alabama, Mississippi, Texas, Colorado, New Mexico, Nebraska, Wisconsin, Minnesota, Georgia, and Florida.

Become a sponsor! Want to be part of the action? Choose one of the following sponsorship options below!

Company Name: _____

Sponsorship Package: _____

Gold Sponsor: \$1,500

- Division prize sponsor
- Full page ad in program
- Vendor fee waived
